Dear Octorara School Community,

I hope this email finds you and your family well. The purpose of my message is to share an update about my future plans. On March 7, 2023 I was appointed Director of Educational Services for Lincoln Intermediate Unit (LIU) #12 in New Oxford, Pennsylvania. The Board of School Directors will act on my resignation at their March 20th meeting. My last day as Superintendent of Schools will be Sunday, April 30, 2023.

My new position at LIU12 is an opportunity to lead public education at a regional level by supporting professional development, instruction, and innovation for the school districts and career and technical education centers in Adams, Franklin, and York counties. During my career, I have benefited greatly from the support of forward thinking, collaborative, and resilient Intermediate Units. I am excited to give back to the system that has given so much to me as an educator and school leader.

My husband and I will be moving to Gettysburg this spring to be with family and begin my new adventure with the Lincoln Intermediate Unit. While we prepare to move our personal lives back to South Central Pennsylvania, the school board is

While we prepare to move our personal lives back to South Central Pennsylvania, the school board is working on a transition plan to provide continuity of leadership while the search for a permanent superintendent continues. Details will be shared at a future school board meeting.

Thank you for your continued support of the Octorara Area School District.

Sincerely,
Michele M. Orner, Ed.D.
Superintendent of Schools
